

MORNING APPEAL

FRIDAY.....JUNE 7

AID FOR THE SUFFERERS.

Yesterday's APPEAL said that whenever the people of Carson should be called upon to contribute to the suffering people in the Johnston region, they would do so with a liberal hand. The effect has been, that many residents of the town interviewed the reporter and informed him they were not only ready but anxious to subscribe their mite. They suggested, however, that in order to do this in proper shape and give each and every one an opportunity to contribute, a committee, composed of prominent citizens and business men of the town, should be chosen; and that this choice could nowhere be better made than at a public meeting of the people of Carson City.

The APPEAL thinks this about the proper thing, also. Virginia City is already stirring in the matter, headed by such men as Mackay, Boyle, Vandeventer, Keating, Gorham, Jones, Lyman, Egan, Sharon and others. Carson must not let its big burly sister on the mountain do any more for sweet charity's sake than she will do, in proportion to her inhabitants and wealth. Therefore let a few leading men in town start the ball rolling, and it will gather momentum soon enough to become a small sized mountain and continue on in its course of good work.

Judge Moran of Chicago has decided that the police of that city have no power to prohibit processions, and consequently anybody can parade there without getting a permit from the authorities. This is a somewhat curious decision, but it will probably go until there is a big riot. The right to control processions is based, if it exists, on the duty of the governing body of a great city to preserve the peace and keep the streets open for traffic so far as possible. Without some controlling power it may cost a very large expenditure of blood and muscle to quell a riot after it gets under full headway that might have been prevented with ease if nipped in the bud.

President Harrison has finally accepted Commissioner of the General Land Office Stocklager's resignation. This is a good deed; for of all the pig-headed, mulish animals that ever buzzed around the National Capital, Stocklager was the chief. He always saw something wrong in everything connected with his department, and had firm belief no man was honest in anything pertaining to land matters. Senator Stewart demanded his scalp, and it now dangles in that doughty chieftain's belt.

Corbett jabbed Chaynoski so many times in the nose that it bled more than a quart. Many lookers-on are reported to have grown sick at the sight and had to lean over the side of the barge to relieve their surcharged feelings. Such chicken-hearted chaps had better stay away from prize fights if they cannot see a little blood knocked out of one bruiser by another. They are altogether too tender-hearted.

Oftentimes the more a newspaper does for a man the harder it is to please him. Not infrequently, also, he gets to think that if it were not for him the paper would have less to write about and would not be so interesting. The favor, if any, he thus imagines to flow from him to the paper. This is not apropos of anything, but is a slice of cold truth gratuitously expressed.

Steve Brodie, the bridge-jumper, keeps a saloon on the Bowery, and when trade begins to drop off he simply goes to some high bridge and takes a drop himself. Then trade begins to pick up for a few months. It is a new way of advertising a liquor business to take to the water, but has been successful thus far. Some day, however, Steve may take a drop too much.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of mere horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Tooty of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 25 St. Clair brood mares and the most of his horses that have made the best records for 2 3rd and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 23½; Bonito, dam by St. Clair, 2 year old record 2 24½; 3 year old record 2 13½; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred a good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

JOHN P. SWEENEY, Prop'r,
